*Hey Jim-*

*Thank you for the amazing job you did at my wedding on April 25th.*

*I had a great time and honestly didn't even know you were there at times which made things run smoothly and less stressful.*

*I really appreciate you and your patience at the wedding. I wanted to give you my address just in case you have my old one.*

*Give me a call if you have any questions.*

*Thanks again.*

*Ashley Randolph*
